

Frontiers in Complex Metallic Alloys CMA-Zagreb'08

Zagreb, November 12, 2008

The international workshop „Frontiers in Complex Metallic Alloys“ was held from October 1-4 at the Institute of Physics in Zagreb, Croatia. The workshop was organised within the framework of the European Network of Excellence „Complex Metallic Alloys“ and sponsored by the Croatian Academy of Science and Art.

More than seventy scientists, mainly members of the European Network of Excellence „Complex Metallic Alloys“, attended the workshop and presented 33 oral contributions and 15 posters. Original scientific papers presented at the workshop will be published in the international journal *Chemica Croatica Acta* .

The workshop was financed mainly with funds obtained from the EU project and to a lesser degree to the ones obtained from the Croatian Academy of Science and Art and the Ministry of Science and Technology of Republic of Croatia.

On behalf of the Chair Persons Ana Smontara wants to thank all the participants for their attendance as well as the members of the local organizing committee: Neven Barišić, Ivo Batistić, Ante Bilušić, Jovica Ivkov, Jagoda Lukatela, Petar Popčević, Denis Stanić and Eduard Tutiš. We also wish to thank the management of the Institute of Physics for their support in the organization of the meeting.
